Fundamental Agro Science Centre has brought up a vanilla cultivation programme for farmers to increase their purchasing-capacity. Aim & ambitions of the Institution is to the most belonging with commercial, medicinal and aromatic plants cultivation. The Institution has different series of medicinal and aromatic plants i.e. Vanilla, Belladonna, Jaitroufa, Stone-Flower, Basil, Mint, Aloe Vera, Nux Vomica, Arsenic, Yeast and Saffron cultivation. The Institution is highly desirous to implement vanilla cultivation programme on the basis of maximum social advantages through Voluntary Co-operative Development System. Therefore, a big co-operative society will be formed of farmers i.e. fifty or hundred or up to three hundred, individually by a Panchayat-Assistant either under provision--- C, A & B, compulsory in each panchayat at district and region level.

"An Another Green Revolution is the Commercial Cultivation"

But, before implementation of the programme, some formalities will be fulfilled by you all i.e. quorum of --- Volunteers and Farmers at your panchayat, co-panchayats, block, co-blocks, district and co-districts level. Thus, after complete quorum of all jurisdiction level --- preparation of land will be commenced for chemicalisation and mineralisation of Land by farmers for vanilla cultivation but in absence of quorum of --- Volunteers, Farmers, Chemicalisation and Mineralisation of Land at their own cost of farmers, not a single unit of vanilla plant cutting will be delivered to your farmers. Consequently, selected farmers will get free of cost--- Five Vanilla Plants Cutting, only but overhead expenses will be applicable, compulsory. Therefore, farmers are liable to sale their vanilla Creepers and Pods through mediation of the Institution and it will be marketed at fifty-percent less than present market-price of production period. It is an Institutional efforts towards self-employment and empowerment of Volunteers and Farmers. For details--- Please, see Manifesto at a glance -- A, B & C. Please, read manifesto, carefully and then ensure apply to the programme.

OUR AIM & AMBITIONS TOWARDS MEDICINAL PLANTS CULTIVATION & SELF-EMPLOYMENT

MEDICINAL PLANT - VANILLA CULTIVATION

Date :

निःशुल्क-प्रपत्र एवं वेनिला पौधे

Sl.No.

"Fundamental Agro Science Centre" is introducing a voluntary programme of the Institution. Its aim & ambitions is to the most belonging with commercial, medicinal and aromatic plants cultivation because the Institution has different series of medicinal & aromatic plants i.e. Vanilla, Belladonna, Jaitroufa, Stone Flower, Basil, Mint, Aloe Vera, Nux Vomica, Arsenic, Yeast and Saffron Cultivation. Further, this programme will be implemented on the basis of Maximum Social Advantages through Voluntary Co-operative Development System. Therefore, a big co-operative society will be formed of farmers i.e. fifty or hundred or up to three hundred, individually either under provision --- C, A & B, compulsory in each panchayat at district & region level. But, before implementation of the programme, some formalities will be fulfilled by you all, compulsory which is under provision--- A, Quorum of--- Farmers, Panchayat-Assistants, Panchayat-Supervisors, Block Co-ordinators, Co-ordinator General and District Co-ordinator will be--- Seventy-six thousand & eight hundred, Seven hundred & sixty-eight, Sixty-four, Sixteen, Four and One, respectively under a district of two hundred and fifty-six panchayats but under provision--- B & C all above number will be equal but only number of Panchayat-Assistants will be two hundred & fifty-six and one thousand five hundred & thirty-six, respectively.

For additional incentive, additional quorum of farmers will be of a Block Co-ordinator, a Co-ordinator General, a District Co-ordinator and a Regional Co-ordinator is determined up to twenty, ten, five and three farmers, respectively from each panchayat except above quorum at their jurisdiction level. But, for similarity--- Quorum of Panchayat-Assistants has been determined at district level in both provision--- A & B up to three hundred and eighty-four, only which is fifty-percent less of quorum under provision---A i.e. seven hundred and sixty-eight. Thus, after complete quorum of Volunteers & Farmers at related district & region level, preparation of land will be commenced by these farmers, technically at their own cost for vanilla plant cutting cultivation. Consequently, selected farmers will get free of cost---Five vanilla plants cutting, only but overhead expenses i.e. labouring, cutting, storing, refrigeration-housing, vaccination, packing, transportation and management charges will be applicable, compulsory. Those farmers who have chemicalised and mineralised their land as per guideline of the Institution before cultivation will get free--- Five vanilla plants cutting for the same. Therefore, farmers are liable to sale their Dry Creeper and Dry Pods through mediation of the Institution and it will be marketed at the rate of rupees fifty-percent less than present market-price of production period. If it doesn't happen so then all of you will be asked about misdeclaration and also you all will be responsible for the same.

In first stage--- Farmers shall be selected by a Panchayat-Supervisor either under provision--- A or B up to three hundred, individually that will be seventy-five from each panchayat of different villages in his four panchayats but proposal of seventy-five farmers shall be submitted on every five days, individually to complete quorum under determined period of time since issue date of the proposal set, compulsory. In second stage--- Farmers shall be selected by Panchayat- Assistants, compulsory to fulfill their quorum under provision--- A or B minimum up to one and three hundred, respectively. Further, procedure for incentive-payment of volunteers will be fluctuative and it will be less/excess by production of Creeper and Pods of vanilla plants. There are seven stages of Vanilla Cultivation Programme i.e. selection of--- Volunteers, Farmers, Preparation of land, Chemicalisation & Mineralisation of Land, Cultivation of plants and marketing of Creeper and Pods, respectively but in absence of first to five stages, not a single unit of free vanilla plants cutting shall be delivered to any farmers. Thus, this is the proposal of the Institution for vanilla cultivation programme, if you all are agree with the proposal, please, sign-up the regulation-sheet with a view to your acceptance for the same. So, please, take it seriously towards above seven stages at your related scope level otherwise further, nothing else will be done and you all will be responsible for the same.
